

CHECKRIGHT

Get your Finances in *Check*

Want to learn more about managing your checking account? Need tips on how to stay organized and avoid overdraft fees? CheckRight is a web-based checking account education module designed to teach you how to manage your checking account properly. Use CheckRight to learn how to:

- Open an account
- Write checks
- Make deposits
- Maintain a check register
- Reconcile an account
- Create a spending plan

Whether you're looking to open a checking account for the first time, have had difficulty handling your account in the past, or are somewhere in between, CheckRight can help you learn how to manage your account and strengthen your relationship with your financial institution.

CheckRight can be found at www.checkright.org or by visiting your financial institution website.

GreenPath, Inc.

CheckRight is a self-study program that allows you to learn at your own pace. Once you have read through the chapters, you will be directed to a quiz that will test your knowledge on checking accounts. You will be able to view the results and you have the option to send the results to your financial institution via e-mail.

CheckRight was developed by our partner in financial wellness, GreenPath. If you have questions about your own personal finances, call a GreenPath counselor.

You can receive assistance with:

- Personal and family budgeting
- Understanding your credit report and how to improve your score
- Money management
- Debt repayment
- Avoiding bankruptcy, foreclosure and repossession

GreenPath can give personalized answers to your individual needs. To speak to a counselor, call toll-free:
